# YY Group Announces Effective Date of Reverse Stock Split

March 19, 2026

SINGAPORE, March 19, 2026 /PRNewswire/ -- YY Group Holding Limited (NASDAQ: YYGH) ("YY Group" or the "Company"), a global leader in on-demand workforce solutions and integrated facilities management (IFM), today announced that its Board of Directors has resolved to effect a 50-for-1 reverse stock split of the Company's Class A ordinary shares. YY Group's Class A ordinary shares will begin trading on an adjusted basis giving effect to the reverse stock split on March 23, 2026, under the existing ticker symbol "YYGH." The new CUSIP number of the Company's ordinary shares will be G9888Q111.

When the reverse stock split becomes effective, every Fifty (50) of the Company's issued and outstanding Class A ordinary shares will be combined into one issued and outstanding Class A ordinary share, without any change to the no-par value per share. This will reduce the number of outstanding Class A ordinary shares from approximately 207.4 million shares to approximately 4.1 million shares. Immediately following the effective time of the reverse stock split, the Company's Class A ordinary shares will have the same voting rights and will be identical in all other respects to the Class A ordinary shares prior to the effectiveness of the reverse stock split.

No fractional shares will be issued in connection with the reverse stock split. Shareholders who would otherwise receive a fraction of a Class A ordinary share of the Company will receive one full share.

The reverse stock split is primarily intended to bring the Company into compliance with the $1.00 minimum bid price requirement for maintaining its Nasdaq listing.
